Vertebrae By Vertebrae

Bjork

Up on the toe
There is a view
Up on the toe
And the spine
Straight and erect
Hungry and curious
Up on the toe
Looking forward to
The air is thinner here
She came here to lose face
Got down on her knees
The beast is back on four legs
Set her clock to the moon
Raises her spine
Vertebrae by vertebrae
Up on the toe, looking
I have been filled with
Steam for months, for years
Same old cloud
Claustrophobic in me
Let it burst
Like old train sounds
Make them leave me, nature
Vertebrae by vertebrae
By vertebrae by vertebrae
By vertebrae
My arms ooze out of my shoulders
And the arms ooze out of my shoulders
I curl my tail inwards, inwards
Set my clock on the moon
Vertebrae by vertebrae
Please release
This pressure off me
Please release
This pressure off me
Please
This pressure off me
Release
Let off some steam
