Spotlight

Taryn Manning

Baby it's just you and me in the spotlight shinning above us.
Everything about you makes me crazy.
The way you look, the way you move.
The way you talk, the way you danceHollywood on the scene (scene)
See you on the big screen
So (so) HD. That's where he sees me.
And I like the way you move.
And I like the way you groove.
In the spotlight, yeah I shine bright.Even in the night light
Just like the night life.
You hear that Boomkat in the beat,
That hustle ain't blow'in meAnd the DJ plays my song.
He plays all night long.
The DJ plays my song,
He can play all night long!Baby it's just you and me in the spotlight shinning above us
(Shinning above us)
Everything about you makes me crazy.
The way you look, the way you move.
The way you talk, the way you dance (The way you just dance)You and me so close (close)
Moving by a little slow, so
You so (so) into it
This dance is so intimateAnd I like the way he talks
This record is so off the charts.
With this dance you stole my heart (heart, heart, heart)This beat is like a hurricane
Sweat is dripping down from space
Look, you wanna taste of me (me, me)And the DJ plays my song.
He plays them all night long.
The DJ plays my song,
He can play all night long!Baby it's just you and me in the spotlight shinning above us
(Shinning above us)
Everything about you makes me crazy.
The way you look, the way you move.
The way you talk, the way you dance (The way you just dance)The way you just dance boy!
The way you just dance boy!
The way you just dance boy!Baby it's just you and me in the spotlight (Baby it's just you and me)
Everything about you makes me crazy (crazy)
Baby it's just you and me (Get down) in the spotlight shinning above us
(Shinning above us)
Everything about you makes me crazy.

The way you look, the way you move.
The way you talk, the way you dance.The way you dance
The way you just dance boy.
In the spotlight
The way you just dance boy
Just you and me.
