

# Waiting On You

## Gladys Knight

Waiting, waiting, waiting, waiting, waiting  
I'm waiting on youI finished all my chores  
Closed the windows, locked the doors  
Trying to settle in for the nightClimbed the stairs and looked around  
Slowly turned and came back down  
I turned the TV on just for lightSomething in my mind  
Keeps telling me our love is strong  
Give him just a little more time, you'll see  
He's coming home  
(He's coming home)So I'm waiting on you  
(I'm waiting on you)  
To get through doin' what you had to do  
So we two can get back to me and youI'm waiting on you  
(I'm waiting on you)  
'Cause they have no idea how we got through  
But you knew, that's why I'm waiting on you  
(Sitting here, waiting on you)I overheard your friends  
(Your friends)  
Making fun of all the things you did for me  
To show how very much you careI was proud to hear you say  
(I love her)  
"I love her in a special way  
You just don't understand the love we share"But they kept on talking till you went away  
(Talking, talking, talking)  
But I know your love will guide you back home someday  
(Home someday)I'm waiting on you  
(I'm waiting on you)  
To get through doin' what you had to do  
(What you had to do)  
So we two can get back to me and youI'm waiting on you  
(I'm waiting on you)  
'Cause they have no idea what we've been through  
But you knew, that's why I'm waiting on you, oh  
(Sitting here, waiting on you)I never got the chance to tell you in advance  
About the life that's growing more inside of me  
I'm glad you did not know, 'cause it left you free to goAnd if you get back  
(If you get back)  
I know this is where you want to be  
(I know this is where)So I'm waiting on you

(I'm waiting on you)  
To get through doin' what you had to do  
So we two can get back to me and youI'm waiting on you  
(I'm waiting on you)  
'Cause they have no idea what we've been through  
But you knew, that's why I'm waiting on you(I'm waiting on you)  
To get through doin' what you had to do  
So we two can get back to me and youI'm waiting on you  
(I'm waiting on you)  
They have no idea how we got through  
But you knew, that's why I'm waiting on you, oh  
(Sitting here, waiting on you)I'm waiting on you  
(Waiting, waiting, waiting, waiting, waiting)  
Patiently waiting on you  
(I'm waiting on you)Oh baby, come home to me, set me free  
I'm waitin' on you, oh darling
