

# The End of an Act

[Trey Parker](#)

I miss you more than Michael Bay missed the mark,  
When he made Pearl Harbor.  
I miss you more than that movie missed the point,  
And thats an awful lot, girl.  
And now, now you've gone away,  
And all I'm trying to say,  
Is Pearl Harbor sucked and I miss you I need you like Ben Affleck needs acting school,  
He was terrible in that film.  
I need you like Cuba Gooding needed a bigger part,  
He's way better then Ben Affleck.  
And now all I can think about is your smile,  
And that ty movie too,  
Pearl Harbor sucked and I miss you (Interlude) Why does Michael Bay get to keep on making movies?  
I guess Pearl Harbor sucked  
Just a little bit more than I miss you.
