

Who Do You Love?

Backstreet Boys

I know he's driving a fancy car
When you're with him you're feeling like a star
But When I'm at home alone
I think only of you
So what do ya know?
How does it grow? So how can he buy a love that's not for sale
You two were so in love I couldn't tell Baby
Cause when I'm at home alone
I hear your heart
It spells
You gotta know
How does it grow? Chorus
Who do you love?
Who do you love?
Girl, I know that you are torn between what was and what could be
I wanna know, gotta know,
wanna know, gotta know
Who do you love?
do you love So let's take some time to find a way
Cause there's just so many things that I need to say
Cause when the lights are down and love is in the air
and I need to know
do you really care, Baby? chorus Girl, I find I just can't leave you alone
Nobody's gonna tell me I'm wrong
And I promise I will make of our home, yeah
And if you're ever in need
Put your full trust in me
And i will never leave you at home chorus
