

Poles Apart

Lillies and Remains

(David Gilmour/Polly Samson/Nick Laird-Clowes)

Did you know...it was all going to go so wrong for you

And did you see it was all going to be so right for me

Why did we tell you then

You were always the golden boy then

And that you'd never lose that light in your eyes

Hey you...did you ever realise what you'd become

And did you see that it wasn't only me you were running from

Did you know all the time but it never bothered you anyway

Leading the blind while I stared out the steel in your eyes

The rain fell slow, down on all the roofs of uncertainty

I thought of you and the years and all the sadness fell away from me

And did you know...

I never thought that you'd lose that light in your eyes
