Sonic Reducer

Pearl Jam

I don't need anyone
Don't need no Mom and Dad
Don't need no good advice
I don't need no human rights
I got some news for you
Don't even need you tooI got my time machine
Got my 'lectronic dream
Sonic reducer, ain't no loser
Sonic reducer, ain't no loserPeople out on the streets
They wonder who I am
I watch them from my room
They are just passin' by
But I'm not just anyone
And you're not just anyoneI got my time machine
I got my 'lectronic dream
Sonic reducer, ain't no loser
Sonic reducer, ain't no loserSonic reducer, sonic reducer
Sonic reducer, sonic reducerI'll be a pharaoh soon
Raised from some cotton tomb
Things will be different then
The sun will rise from here
And I'll be ten feet tall
And you'll be nothing at allI got my time machine
Got my 'lectronic dream
Sonic reducer, ain't no loser
Sonic reducer, ain't no loserSonic reducer, sonic reducer
Sonic reducer, ain't no loser
