

Lullaby in Ragtime

Harry Nilsson

Fine Won't you play the music so the cradle can rock,
to a lullaby in ragtime.

Sleepy hands are creeping to the end of the clock,
play a lullaby in ragtime.

You can tell the sandman is on his way,
by the way,
that they play,

As still, as the trill, of a thrush, in a twilight high. So you can hear the:-
Rhythm of the ripples on the side of the boat, as you sail away to dreamland.

High above the moon you hear a silvery note,
as the sandman takes your hand.

So rock-a-by my baby,
don't you cry my baby,
sleepy-time is nigh.

Won't you rock me to a ragtime lullaby,
So rock-a-by my baby, don't you cry my baby,
sleepy-time is nigh.

Won't you rock me to a ragtime lullaby,
