

Better Man

Noel Gourdin

A better man I am for you, oh baby
Listen,

There, seen you pacing right there,
Staring down at your watch, tick tock tick
No show again, pardon me,
Excuse my asking but he,
Must be out of his mind,
Girl may I take you out with me tonight

[Chorus]

Its a bad look girl,
You know he's just gaming, he promised the world
Something about him, come sit with me girl
Baby I just wanna make sure that you can see,
What your worth, you really don't get it,
So in love, well baby he missed it,
Settin' on you to settle, cause the better man for you
Second best, he was never a good look
Your with me, yea you know that the best look
Baby girl why you settle?
When I'm the better man for you

Damn, there you go once again
Trippin' out over him, why do you do it baby
Oh baby please, you don't hear the stories
I want to set your mind at ease
If you let me c'mon and give you all of me baby

[Chorus]

If you could girl, see all the things that I do
Then you can see what he does, just makes him look like a fool
You know you don't need him baby, don't give him no more
Ill give you love girl, I just want you to see that my love is for real

[Repeat: x2]

What your worth, you really don't get it,
So in love, well baby he missed it,
Settin' on you to settle, cause the better man for you

Second best, he was never a good look
Your with me, yea you know that the best look
Baby girl why you settle?
When I'm the better man for you
