

# Each Day with You

Martin Nievera

Flowers for you from this lovely evening  
Though they have no words  
they share my feelings; As we walk along the avenue,  
Pardon me, I just can't  
help staring at you. When I look into those  
sparkling eyes,  
It float in the air and wonder  
in paradise;  
You give my heart a source of  
inspiration,  
Your beauty is beyond imagination. CHORUS: You are the one  
The only one I desire,  
When we touch,  
When we're one you light the fire; The seasons we share  
Hand in hand, there seems to be no time,  
Each day with you becomes a Valentine. Time must go on and so must we  
Moments slip away but the memories;  
One day as we look back with  
all this treasure,  
Candle light that shines beyond forever. (REPEAT CHORUS EXCEPT LAST LINE) Each day with you  
becomes a Valentine.  
Your beauty is beyond imagination. (REPEAT CHORUS EXCEPT LAST LINE, 2X) Each day with you  
becomes  
Valentine. (REPEAT CHORUS FADING)
