

# Sulfur

## Lino Cannavacciuolo

My guilt and my shame  
Always sell me short, always feel the same  
And my face and my soul  
Always wear me thin, always under control  
But the longest hours you'll have in your life  
Are the ones you sit through to know if you're right  
So I'll wait but I pray that I'm wrong  
Because I think I know what's going on  
So let me get this straight  
The only will is my own  
I do whatever I want and stay alone  
All my decisions make it untouchable and tainted  
I'm gonna suffer for the rest of my life  
But I will always find a way to survive  
I'm not a failure but I know what it's like  
I can take it or leave it or die  
Stay, you don't always know where you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur  
My life is undone  
And I'm a sinner to most but a sage to some  
And my Gods are untrue  
I'm probably wrong but I'm better than you  
And the longest hours I've had in my life  
Were the ones I went through to know I was right  
So I'm safe but I'm a little outside  
I'm gonna laugh when I'm buried alive  
Stay, you don't always know where you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur, like breathing in sulfur  
Like breathing in sulfur  
Like breathing in sulfur  
Stay, you don't always know where you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur, like breathing in sulfur  
Stay, you don't always know where you stand

(You don't always know where you stand)  
Till you know that you won't run away  
There's something inside me that feels  
(There's something inside me that feels)  
Like breathing in sulfur, like breathing in sulfur  
Like breathing in sulfur  
Like breathing in sulfur  
Like breathing in sulfur  
Like breathing in sulfur
