

If We Were

Belinda

Maybe I'll treat you better
Maybe I'll be your friend
Maybe I'll wear your sweater
Maybe I'll find some timeTo go shopping and buy you nicer clothes
'Cause the ones you've got have got to go
I'll cook your dinner
Put some meat on those bonesThat's the least I could do
I'd be so good for youI build you up, I'll be the best
You'd have it all if we were, if we were
You'd never be so damn depressed
If we were, if we wereI build you up, you'd never rest
If we were, if we were
We'd be the most beautiful mess
If we were foreverMaybe I'll do your laundry
Maybe I'll scratch your back
Tell you I adore you
Make you feel like a manAnd all of that
Now wouldn't that be nice?
And you've got a life, wouldn't think less
I'll drive you crazy for the rest of your lifeThat's the least I could do
I'd be so good to youI build you up, I'll be the best
You'd have it all if we were, if we were
You'd never be so damn depressed
If we were, if we wereI build you up, you'd never rest
If we were, if we were
We'd be the most beautiful mess
If we were foreverYou don't realize what you're missing
All the huggin', all the kissin'
Shut up and listen to me
But we're not, I forgotI build you up, I'll be the best
You'd have it all if we were, if we were
You'd never be so damn depressed
If we were, if we wereI build you up, you'd never rest
If we were, if we were
We'd be the most beautiful mess
If we were foreverYou don't realize what you're missing
All the huggin', all the kissin'
Shut up and listen to me
But we're not, I forgot
