

Bottom of the Sea

George Thorogood & The Destroyers

From 1492 to 1998

I threw a rock 'n' roll party on my last birthday

Feels good, rockin' my life away

I'm movin' and groovin' and I'm havin' fun night and dayStreamline, fleet line, military brat

I got the general's daughter, taught her where it was at

I'm rockin', rockin' my life away

I'm movin' and groovin' and I'm havin' fun night and dayI know a gal from Texas, she chilli pepper hot

She knows hot to reel it and knows how to rock

I'm rockin', rockin' my life away

I'm movin' and groovin', havin' fun night and dayYou know, I like to party and I like to have fun

I'd like to kill her, I've got-a rock on

C'mon, rockin' my life away

Movin' and groovin', I'm havin' fun night and dayHow about you girl?You know, I like some long and I like
some lean

I like the way that you shake that thing

I'm rockin', rockin' my life away

I'm movin' and groovin', I'm havin' fun night and dayI gotta have it one more time girlFrom 1492 to 1998

I threw a rock 'n' roll party on every birthday

I'm rockin', rockin' my life away

Sayin' a movin' and groovin', havin' fun night and dayI'm rockin'

Rockin'

I'm rockin', rockin' my life away

I'm movin' and groovin', I'm gettin' some night and day
