

# After All This Time

Rodney Crowell

There were trains  
And we out-run 'em  
There were songs  
And we out-sung 'em  
There were brighter days never ending  
There was time  
And we were burnin'  
There were rhymes  
And we were learnin'  
There was all the love two hearts could hold  
And after all this time  
You're always on my mind  
Hey I could never let it end  
'Cause my heart takes so long to mend  
The dream that keeps your hopes alive  
The lonely nights you hold inside  
And after all this time  
You're always on my mind  
I still want you  
There was rain  
That we outlasted  
There was pain  
But we got past it  
There were last goodbyes still left unspoken  
There were ways I should have thrilled you  
There were days I could have killed you  
You're the only love my life has known  
And after all this time  
You're always on my mind  
Hey I could never let you go  
A broken heart that heals so slow  
Could never beat for someone new  
While you're alive and I am too  
And after all this time  
You're always on my mind  
I still miss you
