Temptation

Tiger Army

Down on my knees I look up at the sky Here I am again although I don't know why Life is pain I know this in my heart I guess it's always been that way from the start This contemplation sets my soul afire Too many decisions that I can't decide I don't know what I'm gonna do... The things I've seen, places I've been Always told me "Stay away from sin" Now I could try and do right, but it always turns out wrong I guess that if I didn't, wouldn't have no fun Sometimes I try to set my sights up higher But if there's a heaven I'm bound for the fire Temptation...
