Awake And Dreaming

Finger Eleven

I can't lose anything
So what's left is mine
And I win this timeConsolation day
I'll make up a way
I'll know now just what to sayI'll get away from you
Wait and I'll be begging
I'll pull you downI saw it all again
Fading memory became clear to me
I try but I can't say
That I'm yours for good
Support me you said you wouldI'll get away from you
Wait and I'll be begging
I'll pull you downAwake and dreaming
I'm only sleeping
