

# Elvis Presley & America

## U2

(Black flash)

Black flash over my own love  
Tell me of my eyes  
Black flash come though my own life  
Telling these things  
And I believe them  
And I believe in you

White flash sees the sky  
And it turns its side from you  
She won't turn my back  
And I know you turn so blue  
And you know  
And your sky is feeling blue  
And your heart  
So cold when I'm with you  
And you feel  
Like no one told you to  
And your time is outside  
And your time  
Ah, don't talk to me  
Ah, don't talk to me  
Don't talk to me

You know  
Like no one told you how  
But you know  
Though the king that has howled  
But you feel like sentimental  
But you don't care  
If I just share it in your heart  
(Heart, heart...)

Hopelessly  
So hopelessly  
I'm breaking through for you and me  
And you don't  
Though no one told you to  
And you found out

Where you were going, where to  
You're through with me  
But I know that you will be back  
For more

And you know  
And though no one told you so  
And you know, blue sky  
Like a harder shade of blue  
And you walk  
When you want  
To let go  
Me, I'm on the outside, tell me fade away  
Drop me down but don't break me  
In your sleep

In your sleep, inside  
It's in your heart and mine  
Whole sea is dark  
It's in your heart and mine

Sweetly, those will come  
Loving is on your side walking through  
So let me in your heart  
Your beat is like something...

They... run...  
See say you're sad and reach by  
So say you're sad above beside  
Oh stay sad above beside  
So stay sad above we said

You know I don't  
No one told you how  
(And you don't)  
(And you wipe sweat off your white brow)  
And you care  
And no one told you tried  
And your heart  
Is left out from the side

And the rain beats down  
And the shame goes down  
And this rain keeps on coming down  
And this sky

Tonight...

You know "S" "O" "N" "G", why  
You're going go join to God  
You know "S" "O" "N" "G", why  
Give away some him no lie  
Give away some my de day no

You know  
And though no one told you sky  
And you feel  
Like you pretend you can  
You say go, you live  
Go live outside of me  
Don't you leave  
Don't leave out part of me  
Then I can feel  
Like I feel before  
Like it hurt now  
And I see the floor  
If you pick me up  
Bits and pieces on this floor
