

Some Dark Holler

Nitty Gritty Dirt Band

Some Dark HollerI'd rather be in some dark hollerWhere the sun don't never shineThan to be here alone
knowing you're goneWhile I slowly lose my mindSo blow your whistle freight trainTake me farther on down
the trackI'm going away, I'm leaving todayI'm going and I ain't coming backI'd rather be in some dark
hollerWhere the sun don't never shineThan to be in some big cityIn a small room with your love on my mindSo
blow your whistle freight trainTake me farther on down the trackI'm going away, I'm leaving todayI'm going
and I ain't coming backI'd rather be in some dark hollerWhere the sun don't never shineThan to be here alone
knowing you're goneAs I slowly lose my mindSo blow your whistle freight trainTake me farther on down the
trackI'm going away, I'm leaving todayI'm going and I ain't coming back
I'm going and I ain't coming back
Yes, I'm going and I ain't coming back
