

That's All!

Apex Theory

It's been close to a year since we spoke last
You haven't changed and now you're talking into my right ear
What happened when you ran off
With that friend of yours, or was she useful? Tossing around bah ra koontzae, vroom vroom then be silent
Sit around bah ra koontzae, vroom vroom then be silent
Tossing around bah ra koontzae, vroom vroom then be silent
Sit around bah ra koontzae, vroom vroom Bet on your life you can't, remember when the clouds
Sang out that soft chant, the one you thought you had
And the one you thought was yours
Now you've come to a door, to adore Tossing around bah ra koontzae, vroom vroom then be silent
I sit around bah ra koontzae, vroom vroom then be silent
Tossing around bah ra koontzae, vroom vroom then be silent
I sit around bah ra koontzae, vroom vroom then be silent Panic under pressure cooker
Thoughts lead me dying sooner
Rough mouth fits, makes you calm
You thought all the while you were smarter By the way be sure to write
The last thing makes it alright Tossing around bah ra koontzae, vroom vroom then be silent
Sit around bah ra koontzae, vroom vroom then be silent
Tossing around bah ra koontzae, vroom vroom then be silent
Sit around bah ra koontzae, vroom vroom then be silent
Then be silent, then be silent, then be silent, then be Panic under pressure cooker
Thoughts lead me dying sooner
Rough mouth fits makes you calm
You thought all the while Panic under pressure cooker
Thoughts lead me dying sooner
Rough mouth fits makes you calm
You thought all the while, you were smarter
