

# **Sad and Guilty Ways**

## **Kids In The Way**

This is my final resting place

I'm never gonna let my hands wander free

This will be my unchanging phase

You're never gonna see my sad and guilty ways againIt's time, it's time I find

That my words will never reach you if I can't seem to meet you

And I hope that you don't mind

But this happy ending is now descending, I apologize for the last timeI'm standing by my eternal grave

Listening to myself stumble through this eulogy

I've laid to rest all of my mistakes

You're never gonna see my sad and guilty ways againIt's time, it's time I find

That my words will never reach you if I can't seem to meet you

And I hope that you don't mind

But this happy ending is now descending

I apologize for the last time, I apologize
