Amnesia

The Tubes

It seems we stood and talked
Like this before
Why cant I remember
Did we share something moreI must have loved you
Once upon a time
Amnesia has come
And clouded my mindWas there a fire burning
Or were there tears
Did I ever whisper
Words of love in your earI cant go on
Not knowing my own name
I only have
This curse of love to blameWhat have I done to deserve this
Cant find my love if I cant find myself
Im imprisoned by amnesia
And I cant break the spellThe love of days gone past
Is haunting me
Your face looks so familiar
Who can you beThis is the price
That I have to pay
Thats why I cry
Cry out for yesterdayWhat have I done to deserve this
Cant find my love if I cant find myself
Im imprisoned by amnesia
And I cant break the spellIt seems we stood and talked
Like this before
Why cant I remember
Did we share something moreI must have loved you
Once upon a time
Amnesia has come
And clouded my mindWhat have I done to deserve this
Cant find my love if I cant find myself
Im imprisoned by amnesia
And I cant break the spell
