Undercurrent

Epidemic

Struggling to explain
Before you tune me out and turn away
So here it is
It contradicts and eats away your faithWhat do you wish to gain?
Is it, is it worth what you've given up?
Now that you've had enough of all the nerve
There's no return, you won't be coming backSee through, see beyond
Don't blur the lines, I'm not your enemy
See through, see beyond
Why take a side anyway?Covering up the truth you're devoted to
What you assume is expected of you
The more we take, obliterate
This was no accidentSee through, see beyond
Don't blur the lines, I'm not your enemy
See through, see beyond
Why take a side anyway?
Take a side anywayYou're a lie, you cheat on yourself
You're a lie, you cheat on yourselfWhy take a side that's not yours?
Why take a side that's not yours?
Why? Why?See through, see beyond
Don't blur the lines, I'm not your enemy
See through, see beyond
Why take a side anyway?
Take a side anyway
