Undercurrent

Epidemic

Struggling to explain

Before you tune me out and turn away

So here it is

It contradicts and eats away your faithWhat do you wish to gain?

Is it, is it worth what you've given up?

Now that you've had enough of all the nerve

There's no return, you won't be coming backSee through, see beyond

Don't blur the lines, I'm not your enemy

See through, see beyond

Why take a side anyway? Covering up the truth you're devoted to

What you assume is expected of you

The more we take, obliterate

This was no accidentSee through, see beyond

Don't blur the lines, I'm not your enemy

See through, see beyond

Why take a side anyway?

Take a side anywayYou're a lie, you cheat on yourself

You're a lie, you cheat on yourselfWhy take a side that's not yours?

Why take a side that's not yours?

Why? Why? See through, see beyond

Don't blur the lines, I'm not your enemy

See through, see beyond

Why take a side anyway?

Take a side anyway
