

# Too Too Too Fast (Say Hi Remix)

## Ra Ra Riot

We have forgotten so much since then  
The scent of her breath again  
Or maybe it's the way that we felt on the phone  
Stop looking up to pretend  
Everything is still there We have forgotten so much since then  
The scent of her breath again  
Or maybe it's the way that we felt on the phone  
Stop looking up  
Pretending this is not  
But it might've come from  
The time of our love? She just said it's cruel  
I only care about the things that you don't Anything that's right, we had much more  
Anything worth losing, pleasing you When I look in your eyes  
(Too too too fast)  
What am I supposed to do?  
When I look in your eyes  
When I look in your eyes We have forgotten so much since then  
The other slight on my hand  
Is it the tone we depend on the phone???  
Stop looking up  
But still I had thought  
But they couldn't tell  
The way or a change???  
The way that we are  
I can't tell if I'm asleep or awake Anything that's right, pleasing you When I look in your eyes  
What am I supposed to do?  
When I look in your eyes  
Alright, alright  
When I look in your eyes  
What am I supposed to do?  
What do I do  
What am I to do? We have forgotten so much since then
