## Thps

No more waiting on them  
as you rise inside new rooms  
It's official you've gone  
You can live for no one else  
Man the guilt must be huge  
As there's no gain in failure  
You succeed at being mine  
Yeah, old friend, see you there  
I will be proud from afar  
I can paint a picture  
In a moment of memories  
And there aren't many left  
I am extradited, uninvited  
It's just another Saturday  
Take a step to freedom  
You and her loathing this cruel world  
Take a breath of shelter  
And exhale trust and allegiance  
Liberate yourself from hell  
It's just another Saturday
