

# Love Walked In

**Erroll Garner**

Love walked right in and drove the shadows away  
Love walked right in and brought my sunniest day  
One magic moment and my heart seemed to know that love said hello  
Though not a word was spoken One look, and I forgot the gloom of the past  
One look and I had found my future at last  
One look and I had found a world completely new  
When love walked in with you One magic moment and my heart seemed to know that love said hello  
Though not a word was spoken One look and I had found a world completely new  
When love walked in with you
