

# Art Slave

## Amalia

you keep playin' with my freedom  
archangels have me holdin' on  
second guessin' myself's self  
uh oh I lost me  
the injustice  
my spirits forgotten, almost gone creative minds fight hard speak true  
i swear to you - i won't give up  
don't give up!!!!!!!!!!!!!! make a hit. u got it made, u got it made  
oh for art sake, not a slave, ohh u got away make a hit, u got it made, owww got it saved  
oh for art sake, not a slave, ohh u got a way. wanna write this song  
seven minutes long  
gotta believe my mentors hear me now  
reality shows they bring me down  
youtube some cover tunes  
maybe prince & quincy call me soon? i may be broke but my heart is rich!!!  
makin' muze i love, i know ya love  
don't give up!!!!!!!!!!!!!! make a hit. u got it made, u got it made  
oh for art sake, not a slave, ohh u got away make a hit. u got it made, owww got it saved  
oh for art sake, not a slave, ohh u got a way got it made. make a hit. u got it made, u got it made  
oh for art sake, not a slave, ohh u got away make a hit. u got it made, owww got it saved  
oh for art sake, not a slave, ohh u got a way shackled there's hope, i'm climbing forward now  
tide's arise, i'm falling back round again  
cyclical the current flows thru me now  
round in circles, up and down i feel  
moon beams inspiration blastin' sound  
gravity pulls me back to earth again  
centrifugal forces wiz me down  
I'm back to where i started. make a hit. u got it made, u got it made  
oh for art sake, not a slave, ohh u got away make a hit. u got it made, owww got it saved  
oh for art sake, not a slave, ohh u got a way got it made. make a hit. u got it made, u got it made  
oh for art sake, not a slave, ohh u got away make a hit. u got it made, owww got it saved  
oh for art sake, not a slave, ohh u got a way
