[Alex Schulz](#)

What was that that I was saying?  
Seemed so important at the time  
Planted in that chair, crawling inside  
What ever time, that was no time at all  
Up or down, it's just as bad  
It is still the same, it is still the same  
It is still the same  
What was that that I was saying?  
Seemed so important at the time  
Planted in that chair, crawling inside  
What ever time, that was no time at all  
Up or down, it's just as bad  
It is still the same, it is still the same  
It is still the same, it is still the same
