

Pay No Mind (Acoustic String Version)

Culture Beat

I use to believe in something
I thought it was me and you
That we could fulfill a lifetime
And live as lovers do
I was wrong[Chorus]
I'll pay no mind
I'm leaving it all behind
I won't ask you what you feel no more
I won't ask you what you feel no more
I'll just pay no mind
I'm letting it go this time
'cause I realize I've come so far
If I start to wonder where you are
I'll just pay no mind The first couple steps were fragile
Till I got on my feet
Felt I was walking sideways
Looking for my release
Lovers come and they go
When they leave
You'll nevr know
Instead of a review
Tell you what I'll do[Chorus] I'm still writing love songs
'bout something that's passed me by
I know that I'm stronger
You think that's a lie
But you're wrong[Chorus]
