

# Be Alright

## Zapp & Roger

Ah ah ah  
Ooh ooh ah ah ah Oh, baby, please don't ever leave me  
Just stick with me, mama, put your hand in mine  
We can be together through love and shelter  
Our very last dime or last meal or last sip of wine Ooh ooh ooh, yes, we can  
Come on, baby  
(Put your hand in mine)  
We share a good thing together  
Come on, baby  
(Put your hand in mine, girl) Together we can make this journey  
Together we can make this journey Alright  
It's gonna be alright  
Alright  
It's gonna be alright Alright  
It's gonna be alright  
Alright  
It's gonna be alright Alright Shucks, oh, my mama, don't you talk about me  
No, no, no, don't you head for that door  
This little thing we got is gonna work our fine, yeah, yeah, yeah, yeah  
Work out fine, work out fine, it's gonna work out fine Doo doo doo doo doo doo  
Doo doo doo doo doo Alright  
It's gonna be alright  
Alright  
It's gonna be alright Alright  
It's gonna be alright  
Alright
