Wonder (If She'll Get It)

Superchic[k] Alumni; Superchick

Dear diary
I saw this guy at the show
He was singing to me
At least I think so
All the world around me stopped when he said Hi what's up baby
(sigh)
He's the perfect guy
His hair, his eyes, oh, I love his smile
When he opened the door
Knew he was worthwhile
He looked so good standing right next to me
So beautiful I know our children will be
This time I know it's true loveHe is the one that I've been waiting for
I promise to love him forevermore
I've waited my whole life for the day I am his
I just know he's the
Wonder what his name isDear diary
Today I found a new guy
With a movie star face and the perfect lines
Knight in shining armor
Hero to rescue me
He'll be so romantic just like in the movies
He'll play the roll of a boyfriend for me
like in "Here on earth" with Leelee Sobieski
There is just one problem
something i might have mist
he's a movie star, he doesn't know I exist
This time I know it's true loveHe is the one that I've been waiting for
I promise to love him Forevermore
I've waited my whole life for the day I am his
I just know he's the
Wonder what his name isDear diary
I thought my dreams had come true
Last week I found the one to give my heart to
Told all my friends about him, even tried his last name
Didn't see that to him it was all just a game
He seemed so nice, I've known him for a whole week
But my friends didn't like him, didn't know him like me
No more crushes or rushes learn to be satisfied

With being single again - wait who's that guy
You are cute!He is the one that I've been waiting for
I promise to love him Forevermore
I've waited my whole life for the day I am his
I just know he's the
Wonder what his name is
Wonder what his name is
Wonder what his name isHe is the one that I've been waiting for
I promise to love him Forevermore
I've waited my whole life for the day I am his
I just know he's the
Wonder what his name is
Wonder what his name is
Wonder what his name is
