Fashion

Hanoi Rocks

When fashion is your passion
At first glance leaves a lasting impression
Paris catwalks, big small talk
The casting couch promise that'll put you worse offEvery evening london's receiving
A beat-machine man-made and so deceiving
We got the groove now
We'll show the world how
To wake this planet up with a new sound nowI'm into fashion just because of you
It ain't the flash man, it's down to attitude
I'm into fashion all because of you
I got new fashion just designed for you
Silk emerald islands
Diamonty high lands
A vogue sale scheme, just an empty day dream
Child labour out of favour
Fashion can have such a nasty flavourI'm into fashion just because of you
It ain't the flash man, it's down to attitude
I'm into fashion all because of you
I got new fashion just for youHand me downs,
I wear my rags well
I mix, match and i make it jell
Just hand it down,
I'm breaking new ground
You'll always find me in a thrift store wheelin' around
I'm into fashion just because of you
It ain't the flash man, it's down to attitude
I'm into fashion all because of you
I got new fashion just for youI'm into fashion
