# Crossing Borders (feat. Fritz Kalkbrenner)

## Booka Shade

We're clear the sail
Come back to give
Walking on
In grief and fear
With dirty hands
And muddy shoes
Another day
We gonna lose
We burn the bridges
On our way
We've come to know
There's just black and white
Got to go on
Even if we stray
Crossing borders to another sideWe're crossing borders to another side
We're crossing borders to another sideWe're clear to sail
Come back to give
Walking on
In grief and fear
With dirty hands
And muddy shoes
Another day
We gonna lose
We burn the bridges
On our way
We've come to know
There's just black and white
Got to go on
Even if we stray
Crossing borders to another sideTo another side
To another side
To another side
To another side
