

# Time To Burn

## Masters of Reality

Time to burn again  
Fire for my friends  
Time for your shift to end  
I'm back to jack againRealistic crunchilicious  
Everything is suck suspicious  
Mindless times I'm feeling lazy  
Turn me on and let's go crazy  
Dress me up and uniform me  
Let's pretend like you don't bore meTime to burn again  
Fire for my friends  
Fear is in m.i.a.  
All that doubt this may  
Kiss my ass man
