Dead to Me

Agnostic Front

I just can't believe you
turned and stabbed my back
I'm still in disbelief
I fell into that trap
I put my trust in you
you played me like a fool
this time you went to far
I turn my back on you
You're everything I hate
- Dead to me
you dug yourself into a grave
- Dead to me
it's my turn to walk away
- Dead to me
There's nothing left to say
cause you're - Dead to me
Don't say you had my back
that's just another lie
I called you on your bluff
now our time is up
when push comes to shove it
I allways showed you love
I turn my back on you
No heart, no loyalty - for me
no trust, no empathy - for me
where have you been?
where have you been!
talking to your friends, again
- behind my back
die with your sins!
die with your sins! my friend
you're dead to me!
