

Oh How I'd Miss You

Marvin Gaye & Tammi Terrell

TT: My lovin' heart would shake
More than the earth could break
If you should ever go
You know my heart would break
MG: If I lost your sweet embrace
Even time could not erase
The memories of you
Tears would cover up my face
CHORUS:
BOTH: Oh how I'd miss you, baby
MG: I need you so
BOTH: Oh how I'd miss you
TT: Baby never go
MG: I'll never leave
TT: My world would cease to be
Without the love you give to me
The chains around my heart
Would never set me free
MG: When my life had just begun
My sky didn't have a sun
You fill my every need
So if you ever leave(chorus)(Backing, x2):
(Oh how I'd miss you, baby baby)MG: Oh you're always on my mind
Losin' you would leave me blind
Fill my heart forevermore
Never leave my love behind
TT: With the joy your love can bring
To you I'll always cling
If you took away your love
It would be the end of things, &...
BOTH: Oh how I'd miss you
MG: Oh baby
BOTH: Oh how I'd miss you
TT: Marvin, I need you so
BOTH: Oh how I'd miss you
...& fade
