Kiss In the Dark

The Undertones

There's a kiss in the dark
Someone speaks, it's a start
Starts to cry, cries to stop
Can't be nice for the time that we've gotThere's a kiss in the darkTurn on, turn away
Start love and celebrate
Tell me how, what's wrong
Happy times come down the phoneThere's a kiss in the darkDream song somewhere
Listening in up there
Tell me howThere's a kiss in the darkHappy now, I'm there
Take the wind, it's off again
Have you the heart
To see anymore you want of meThere's a kiss in the dark
