

Kiss In the Dark

The Undertones

There's a kiss in the dark
Someone speaks, it's a start
Starts to cry, cries to stop
Can't be nice for the time that we've got
There's a kiss in the dark
Turn on, turn away
Start love and celebrate
Tell me how, what's wrong
Happy times come down the phone
There's a kiss in the dark
Dream song somewhere
Listening in up there
Tell me how
There's a kiss in the dark
Happy now, I'm there
Take the wind, it's off again
Have you the heart
To see anymore you want of me
There's a kiss in the dark
