Seal The Deal

Volbeat

Sold my soul and singed my name in blood
Stole it back now praying in the dark
Fooled the devil begging for a fight
Count the dollars make your bet tonightFeel strong like an oiled machine
All the anger boils within
Move it give it
The high rollers are inI get groovy, now turn it on and fight
Seal the deal and let's boogie for a while
Let's get groovy, burning out with rage
Seal the deal and let's do it all againKnuckles crushed my eyes no longer see
I paid the price and fed the familyFeel strong like an oiled machine
All the anger boils within
Move it give it
The high rollers are inI get groovy now turn it on and fight
Seal the deal and let's boogie for a while
Let's get groovy burning out with rage
Seal the deal and let's do it all againSing hallelujah the devil in disguise
There'll be no more pearly gates
So stand up for yourself this time
Fight for honor let no one drag you down no more
Be your own man with blood, sweat, tears you fallI get groovy now turn it on and fight
Seal the deal and let's boogie for a while
Let's get groovy burning out with rage
Seal the deal and let's do it all againI get groovy now turn it on and fight
Seal the deal and let's boogie for a while
Let's get groovy burning out with rage
Seal the deal and let's do it all again
