

# Always

## David Guetta & JD Davis

I'm hurting deep inside  
And it's like that always  
The passion was not ours to keep  
To keep... The feelings justified  
You're giving me this heartache  
Rejection comes in and cuts so deep  
So deep...Now everywhere I turn  
All my bridges burn  
Why can't you see all I need come set me free 'Cause I still can feel you always  
My love can heal you always  
It too can heal you always  
Alright, always  
I still can feel it, always  
I still believe it, always  
I can't conceal it, always  
All night, always Everywhere I go  
It's like you're there beside me  
Possession makes my heart pretend  
Pretend...'Cause I just can't let go  
What I did ever found me  
To give affection once again  
But to win I feel I'm trapped inside  
(I feel I'm trapped inside)  
You've tooked all of my pride  
Why can't you see all I need come set me free  
I need come set me free  
'Cause I still can feel you always  
My love can heal you always  
It too can heal you always  
Alright, always I still can feel it, always  
I still believe it, always  
I can't conceal it, always  
All night, always
