[khari lemuell](#)

[Intro]Oooooo oohWell I know that you're young
And I know you're naiveBut you know~ that you've got me
Sugar under~ your sleeve
But the way~ that you did me
But you're doing~ me~ stillI can't help but to wonder, is your love~ for me~ real
Now, you've told~ me you love me, and you know~ who I am
And you said~ that you'd be with me, time~ and a again~But the time~ wasn't right, and you want~ to have fun
Sugar please do your~ thing, don't let me~ stop you~ nun'[Chorus]
Well but~ the games~~ you played, they must meet an end
Don't you know that I~ wont~ be around~, when your stop slippin' girl~Whenever~ times~ gonna' come, for

Where will you be~~Ooh oh oh Oooh oh oh Oooh oh oh Ohhh Ooh [x2][Part 2]Now there's love~ on your lips,
and there's locks~ in your hair~
In your heart, in your mind
Suga' you've~ got it fair, the great god~of the universe~
Would truly agree~, that there's no other sister
That's more worthy~of me~[Chorus 2]
Oh but the games~~ you played, they must meet an end
Don't you know that I~ wont~ be around~, when your stop slippin' girl~Well the~ time's~ gonna' come, for
me~ to give my~ heartAnd where~will you be~ darling
