

# I Wish I Could Have Been There

## The Perrys

(Verse 1)

Well a woman was healed when she touched the hem of His clothes  
That's just one of those stories that everybody knows  
Oh I know the facts but I'd love to feel  
what the blind man felt when his eyes were healed  
He went running through the streets to share

(Chorus)

I wish I could have been there  
When the thousands were fed with just two fish and some bread and see the little boy a packin' up the rest  
I wish I could have been there  
To see the lame that could leap and hear the dumb that could speak and see the multitudes of people Jesus  
blessed  
I wish I could have seen the stone that went a rollin' away when they looked inside the door to where the grave  
clothes lay  
I didn't see but I believe that He ascended in the air  
And I really wish I could have been there

(Verse 2)

When He commanded Lazarus to walk right out of His grave  
And in a Galilean storm He started calming the waves  
I wanna feel that breeze blowing on my face  
I wanna know the smell I wanna taste the taste  
Just reading 'bout it couldn't compare
