

You Can't Love

Dommin

Talk is Cheap cause
They say it don't pay
to be loved that way
I am hurt now
but I'll be ok
I know I will

Push my buttons, They always work
And you know where to touch where it hurts

(Cause you can't love me the way i love you
No you can't love me the way I love you) Chorus

Actions speak loud
Louder than words
But I can't see you
And I can't hear you tell me what do I deserve

{ Chorus }

You want you want
At my expense, why I'm still here it makes no sense
Sacrifices Guilty Vices
I can't live this way

{ Chorus }
