

A Warning to the Curious

The Coral

A warning to the curious
A message for the meek
It's better not to be in love
Than to be in between You, If I never had you
Then I wouldn't feel the way I do now
If I never had you It was just a joke you said
But now I'm warning you
On whose grounds do you dare to tread?
When all your plans fall through You, If I never had you
Then I wouldn't feel the way I do now
If I never had you A warning to the curious
A message for the meek
It's better not to be in love
Than to be in between You, If I never had you
Then I wouldn't feel the way I do now
If I never had you
If I never had you
If I never had you
If I never had you
If I never had you
If I never had you
If I never had you
If I never had you
