

Now or Never (feat. Cristian Marchi & Mad Mark)

DJ Antoine

Here we are,
In the race
In this place
In the ruins
Of the world
That they made
Need to change
What we're doin'
Because we are young
And baby we're free
And we're ready
We gotta take that leap of faith
Get it straight
You gotta take a chance
And wake up before it's too late
Hey now, if you're looking for me
Baby I'm right here
We can do whatever
Hey now, if you wanna break free
Baby come with me
Cause it's now or never
Go all night
And then do it all again
Nothing matters
When we're together
Hey now, if you wanna break free
Baby come with me
Cause it's now, now or never
Now or never
Now or never
All we got is right now
Is right here in this moment
Make it count, have no doubt
Just believe, you are golden
So let's make a toast
Raise your glass
Put your hands up
Just lift them to the sky
If you're wild
Stay untamed
Break the rules
And never play their game
Hey now, if you're looking for me
Baby I'm right here

We can do whatever
Hey now, if you wanna break free
Baby come with me
Cause it's now or neverGo all night
And then do it all again
Nothing matters
When we're together
Hey now, if you wanna break free
Baby come with me
Cause it's now, now or never
Now or never
Now or neverNow or never
