

I Burn For You

Sting

Now that I have found you
In the cool'th of your evening smile
 The shade of your parasol
 And your love flows through me
 Though I drink at your pool
I burn for you, I burn for youYou and I are lovers
 When night time folds around our bed
 In peace we sleep entwined
 And your love flows through me
 Though an ocean soothes my head
I burn for you, I burn for youStars will fall from dark skies
 As ancient rocks are turning
 Quiet fills the room
 And your love flows through me
 Though I lie here so still
I burn for you, I burn for youI burn
