Yo Gotti

Advisory - the following lyrics contain explicit language:

Chorus: (x2)

We cop Rozay by the cases, Forces by the cases  
Three hundred dollar True Religion we cop em by the cases.  
Lawyer fight my cases, Gucci's got no laces  
Bakin Soda by the cases in the kitchen doin the matrix  
Up down, up down, my top doing the matrix  
I need a model, we dont ride shit basic  
Everything kitty, cocaine crazy  
Bitch they hit my phone, then fucked out my situation.  
DJ drop that Gotti, Dope boys went crazy  
Shoot a thousand, be a thousand you're gambling with your savings.  
Kitchen doing numbers, I may need a helper  
Bitch say she wasn't fucking, so you know what nigga left her  
Rose by the cases, rubbers by the boxes  
Famouss' thinkin I'm the shit, so how the fuck she gonna be cocky  
Yeah these hoes be boxin', get my eyes be Rocky  
I pull up

Chorus: (x2)

You throw Rose by the case  
Three hundred dollar jewellery we.. by the cases.  
You define my case, Gucci is got no laces  
It's all about the cases in the kitchen gonna make it!  
I to the money in all upper cases  
Trap on fire I stay down the street from satan  
Hell on Earth, I say hello to my neighbor  
Ghetto nigger got a mansion and  
Steel I said get  
Try me in the club, we gonna your ass inside it  
All my hoes excited, damn your cry  
..getting mad, cause he think I'm gonna retire  
..lawyer act for a dismissal  
I gotta set up for some Christmas

Me and you got it from Atlanta down to Memphis

Getting money I could pay you, niggers

Chorus: (x2)

You count Rose by the case

Three hundred dollar jewellery we.. by the cases.

You define my case, Gucci is got no laces

It's all about the cases in the kitchen gonna make it!

..so the game it got bored

..drop the top and hit the horn

..I got a bitch from

Can we do a

Fuck and.. and she gonna swallow my unborn

Friends say she's whore

Talking about she gone

say she want that Luis bag I

..you niggers know

I could get your

Why you niggers bitching with me, come down to

..man, I guess they just don't get me!

Chorus: (x2)

You count Rose by the case

Three hundred dollar jewellery we.. by the cases.

You define my case, Gucci is got no laces

It's all about the cases in the kitchen gonna make it!
