Unconditional

Sonicflood

Lord, You found me
Lost in a desolate place
Now I feel your love around me
I'll follow you all of my daysI surrender
My spirit and mind Lord, to You
My heart is sold to Your kingdom
Forever I want to be true, Lord to YouYour peace, it floods my soul
It's supernatural
And Your amazing love is unconditionalYour joy, it overflows
It's supernatural
And Your love for me is unconditionalSweet assurance
Your grace will always endure
Whatever becomes of this vessel
Your will, will be done on earthLord I trust You
To move in miraculous ways
Now I feel Your arms around me
And I'll worship You all of my days
And give You praiseYour peace, it floods my soul
It's supernatural
Your amazing love is unconditionalYour joy, it overflows
It's supernatural
And Your love for me is unconditionalI feel your arms around me
I feel your peace inside me
Amazing love, I surrenderPeace it floods my soul
It's supernatural
Your amazing love is unconditionalYour joy, it overflows
It's supernatural
And your love for me is unconditional, unconditionalI feel your arms around me
I feel your peace inside me
Amazing love
