

# As the World Turns

## Eminem

I don't know why this world keep turning (Yes man)  
Round and round  
(As the world turns we all experience things in life)  
But I wish it would stop and let me off right now  
(Trials and tribulations that we all must go through)  
I don't know why this world keep turning  
(When someone wants to test us when someone tries our patience)  
Round and round  
But I wish it would stop and let me off right now I hang with a bunch of hippies  
And wacky tobacco planters  
Who swallow lit roaches  
And light up like jack-o-lanterns  
Outsiders baby, and we suing the courts  
'cause we're dope as fuck and only get a two in the source  
They never should've booted me out of reform school  
Deformed fool, takin' a shit, in the warm pool  
'til they threw me out the Ramada Inn  
I said it wasn't me, I got a twin (Oh my god its you! Not again!)  
It all started when my mother took my bike away  
'cause I murdered my guinea pig and stuck him in the microwave  
After that, it was straight to the forty ouncers  
Slappin' teachers, and jackin' off in front of my counselors  
Class clown freshman, dressed like Les Nessman  
Fuck the next lesson, I'll pass the test guessin'  
And all the other kids said Eminem's a dishead,  
He'll never last, the only class he'll pass is phys ed  
May be true, till I told this bitch in gym class  
That she was too fat to swim laps, she needed Slim Fast (Who me?)  
Yeah bitch you so big  
You walked into Big Panties and stepped on Jenny Craig  
She picked me up to snap me like a skinny twig  
Put me in the headlock, then I thought of my guinea pig  
I felt the evilness and started transformin' (rar!)  
It began storming, I heard a bunch of cheering fans swarming  
Grabbed that bitch by her hair  
Drug her across the ground  
And took her up to the highest diving board and tossed her down  
Sorry coach, its too late to tell me stop  
While I drop this bitch face down and watch her belly flop I don't know why this world keep turning (as the

world turns)  
Round and round  
(These are the days of our lives)  
But I wish it would stop and let me off right now  
(These are the things we must go through day by day)We drive around in million dollar sports cars  
While little kids hide this tape from their parents like bad report cards  
Outsiders, and we suing the courts  
'Cause we dope as fuck and only get a two in The Source  
Hypochondriac, hanging out at the laundromat  
Where all the raunchy fat white trashy blonds be at  
Dressed like a sailor, standin' by a pale of garbage  
Its almost dark and I'm still tryna nail a trailer park bitch  
I met a slut and said "What up, its nice to meet ya"  
I'd like to treat ya to a bagel and a slice of pizza  
But I'm broke as fuck and I don't get paid till the first of next month  
But if you care to join me, I was bout to roll this next blunt  
But I ain't got no weed, no phillies, or no papers  
Plus I'm a rapist and a repeated prison escapist  
So gimme all your money  
And don't try nothin' funny  
'Cause you know your stinkin' ass is too fat to try to outrun me  
I went to grab my gun  
That's when her ass put it on me  
Wit' an uppercut and hit me with a basket of laundry  
I fell through the glass doors  
Started causin' a scene  
Then slid across the floor and flew right into a washin' machine  
Jumped up with a broken back  
Thank god I was smokin' crack all day  
And doped up off coke and smack  
All I wanted to do was rape the bitch and snatch her purse  
Now I want to kill her  
But so I gotta catch her first  
Ran threw alleys, parkin' lots, and took a shortcut  
Saw the house she ran up in  
And shot her fuckin' porch up  
Kicked the door down to murder this divorced slut  
Looked around the room  
That's when I seen the bedroom door shut  
I know you're in there bitch! I got my gun cocked!  
You might as well come out now  
She said "Come in, its unlocked!"  
I walked in and all I smelled was Liz Claiborne  
And seen her spread across the bed naked watchin' gay porn  
She said "Come her big boy, lets get acquainted"

I turned around to run, twisted my ankle and sprained it  
She came at me at full speed, nothin' could stop her  
I shot her five times and every bullet bounced off her  
I started to beg "No, please let go"  
But she swallowed my fuckin' leg whole like an egg roll  
With one leg left, now I'm hoppin' around crippled  
I grabbed my pocket knife and sliced off her right nipple  
Just trying to buy me some time, then I remembered this magic trick  
Den den den den den, go go gadget dick!  
Whipped that shit out, and ain't no doubt about it  
It hit the ground and caused an earthquake and power outage  
I shouted "Now bitch, lets see who gets the best!"  
Stuffed that shit in crooked and fucked that fat slut to death (Ah! ah!)Come here bitch!  
Come here!  
Take this motherfuckin' dick!  
Bitch, come here!I don't know why this world keep turning  
(And as we go along)  
Round and round  
(Throughout the days of our lives)  
But I wish it would stop and let me off right now  
(We all face small obstacles and challenges everyday)  
I don't know why this world keep turning  
(That we must go through)  
Round and round  
(These are the things that surround us through our atmosphere)  
But I wish it would stop and let me off right nowI don't know why this world keep turning  
(Every day every single day the world keeps turning)  
Round and round
