

# I Shall Be Released

[Joan Baez](#)

They say, everything can be replaced  
They say, every distance is not near  
Yet I remember every face  
Of every man who put me here I see my light come shining  
From the west unto the east  
Any day now, any day now  
I shall be released They say, every man needs protection  
They say that every man must fall  
Yet I swear I see my reflection  
Some where so high above this wall I see my light come shining  
From the west unto the east  
Any day now, any day now  
I shall be released
